About us

PJSC "NK" Rosneft "Kubanefteprodukt" began its activity in the market of oil products supply from the Krasnodar Territory Office for Supply, formed in accordance with the resolution of the Central Executive Committee of the USSR of September 13, 1937 and the order of the NKTP of September 26, 1937, No. 493. During these years Krasnodar regional office for supply has undergone a number of structural changes, its name and departmental affiliation changed. As a result of the privatization and corporatization of October 21, 1995 M2505 GAP "Krasnodarnefteprodukt" transformed into JSC "Kubanefteprodukt". June 26, 1996 was reregistered as OJSC "NK" Rosneft "Kubanefteprodukt" in 2015 in PJSC "NC" Rosneft "Kubanefteprodukt".

The main activity of Rosneft Kubanefteprodukt is storage, marketing and sales of oil and oil products. The society consists of 10 tank farms, one gas filling station and 188 petrol stations.

The first filling stations were built in 1953 in Armavir, on the Rostov-Baku highway. In the 50-60 years has built more than 527 thousand, M3 containers put into operation a number of oil depots. In 70-80 years there was intensive construction of gas stations, oil depots, tank farm increased, implement
